

February 11, 2017

Dear Dr. Oxford:

I am completing a doctoral dissertation at the University of Tennessee Health Science Center entitled "The Psychometric Evaluation of the Nursing Child Assessment Teaching (NCAT) Scale in Two Samples of Mothers and Children" and I would like your permission to reprint in my dissertation the following:

1. A picture of the Child Health Assessment Model adapted from the *NCAST caregiver/parent-child interaction teaching manual*
2. A picture of the Barnard Model from the *NCAST caregiver/parent-child interaction teaching manual*
3. Instrument item observations from the Nursing Child Assessment Teaching scale; 25 items total in tables/appendices; instrument items 4, 14, 29, 40, 57, and 69 in chapter table; instrument items 1, 2, 17, 19, 21, 23, 32, 35, 42, 45, 51, 52, 53, 54, 55, 56, 63, 65, and 66 in appendices

The requested permission extends to any future revisions and editions of my dissertation, including non-exclusive world rights in all languages, and to the prospective publication of my dissertation by ProQuest through its ProQuest dissertation Publishing business. ProQuest may produce and sell copies of my dissertation on demand and may make my dissertation available for free internet download at my request. These rights will in no way restrict republication of the material in any other form by you or by others authorized by you. Your signing of this letter will also confirm that you own [or your company owns] the copyright to the above-described material.

If these arrangements meet with your approval, please sign this letter where indicated below and return it to me in the enclosed return envelope. Thank you very much.

Sincerely,  
Samantha H. Ransone

PERMISSION GRANTED FOR THE USE REQUESTED ABOVE:

 Monica Oxford  
Director NCAST Programs

Date: 3.24.17
